

**Elizabeth M. Grieco**  
**Curriculum Vitae**  
**December 2021**

## **Contact Information**

E-mail: ElizabethGrieco@gmail.com  
Website: www.elizabethgrieco.com

## **Education**

- M.A. **American University**, Washington, D.C.  
Communication: Journalism and Public Affairs, 2014
- Ph.D. **Florida State University**, Tallahassee, Florida  
Sociology and Demography, 2000
- M.S. **Florida State University**, Tallahassee, Florida  
Sociology and Demography, 1997
- M.A. **University of Kansas**, Lawrence, Kansas  
Anthropology, 1989
- B.A. **University of Cincinnati**, Cincinnati, Ohio  
Anthropology, 1986  
Graduated *magnum cum laude* with Departmental Honors

## **Professional Experience**

**Senior Analyst**, National Center for Science and Engineering Statistics, National Science Foundation, 4/2020 to present.

### *Responsibilities:*

- As senior analyst, served as a resource for senior management on research, technical and other matters; completed special projects, as assigned; coordinated/responded to data requests received by the Center, including those from NSF senior management and other government agencies requiring advanced subject matter/statistical/data knowledge; worked with NCSSES analysts to coordinate the research needed to respond to requests for information; developed/gave presentations to internal/external stakeholders; represented NCSSES at professional meetings/conferences; developed/improved presentations given by senior leadership, management and staff; developed; participated as Center representative on

NSF/NCSES working groups; completed COR training and assisted with contracts, as assigned.

- As Data Place coordinator, lead activities of NCSES task force to develop policy, procedural and informational documentation to support the Center's efforts to respond to data and information requests; coordinated weekly meetings, worked with team to define deliverables, and coordinated subgroup activities; conducted research project on common practices used by other federal statistical agencies when completing data/information requests, including interviewing representatives from five federal statistical agencies; completed research project on how NCSES conducts its request fulfillment processes, including interviewing over 50 staff members; wrote and finalized report assessing the NCSES request fulfillment process and presented findings/recommendations to senior leadership/management; chaired a subteam to develop social media content to increase the visibility/use of NCSES products; worked with team to develop the NCSEStats feature on the NCSES homepage; wrote policy document, established production calendar, and developed system to submit, review and document published NCSEStats; established and maintained Data Place SharePoint page; communicated goals of the Data Place to NSF/NCSES staff.
- As Data Place team lead, managed team of analysts/programmers to develop data and web analytics; developed requirements for a "request management system" to organize/process all data/information requests received by the Center, including related "proof of concept" documents; defined parameters around the Center's need for user analytics and developed data users analytics dashboard; worked with programmers to develop new sources for analytics on media/academic citations; developed policy documents associated with all these efforts.

**Senior Writer/Editor**, Journalism and Media, Pew Research Center, 6/2017 to 4/2020.

*Responsibilities:*

- As senior writer/editor, write and edit a mix of comprehensive, lengthy research reports and relatively short analyses of research findings, including data-driven blog posts; analyze and interpret survey, demographic, coding or other data using statistical and other research tools; translate quantitative research findings into non-academic, clear prose and graphics for a general audience; develop ideas for shorter, timely analyses or blog posts; work with research teams to develop research ideas and project plans; work one-on-one with researchers to distill a general audience narrative from complex statistical data; help researchers generate ideas for data visualizations and interactive features and ensure reports include appropriate charts and tables; edit, rewrite, and reorganize drafts to improve flow and clarity; ensure all publications meet the high research, editorial, and non-advocacy standards of Pew Research Center.

**Senior Advisor on Administrative Records and Data Linkage**, Office of the Assistant Director, Decennial Census Directorate, U.S. Census Bureau, 6/2015 to 5/2017.

*Responsibilities:*

- As senior program advisor, monitored use of administrative records data in planning for the 2020 Census and the American Community Survey (ACS); analyzed needs and availability of administrative data for census research and production; fostered communication among

researchers, programmers, policy, and IT specialists; identified and communicated issues to upper management for resolution; monitored and communicated relevant policy decisions and developments; coordinated panel of external experts for continual input on developing census processes; assisted with congressional inquiries; participated on research team analyzing ways to use administrative records to supplement or replace ACS questions and reduce respondent burden; developed research and other products (e.g., presentations, videos, infographics, blogs, etc.) to explain the use of administrative data in the 2020 Census to both internal and external audiences.

- *Awards:* 2017 Bronze Medal Award by the U.S. Census Bureau/Department of Commerce for work in administrative records research.

**Senior Scientist and Assistant to the Center Chief, Center for Survey Measurement, U.S. Census Bureau, 1/2015 to 6/2015.**

*Responsibilities:*

- As Assistant to the Center Chief, acted as Center Reviewer, working with staff to edit and develop for release publications on a wide variety of survey research; ensured Center publications complied with editorial standards and style guidelines; assisted with the development and implementation of the Center's editing and review procedures; worked with staff to develop ideas for research and publication; mentored staff development through constructive feedback and guidance.
- As Senior Scientist, analyzed and interpreted survey data; wrote, edited, and produced reports for publication and presentation; developed graphs, tables, and other visualizations for use in publications and presentations; presented research and represented the Center at professional venues.

**Branch Chief, Foreign-Born Population Branch, U.S. Census Bureau, 4/2007 to 1/2015.**

*Responsibilities:*

- As Chief, coordinated the activities of the Foreign-Born Population Branch (formerly the Immigration Statistics Staff), including the overall supervision of up to 14 staff members.
- Defined, directed, and/or assisted with the activities of the Branch, mentoring staff development through constructive feedback and guidance; used leadership training and experience to guide and motivate staff to achieve superior performance.
- Managed the development of population estimates, specifically net international migration; coordinated research and presentations on improving estimates of net international migration; participated as member of the change control board (with middle and upper management) responsible for managing improvements to the population estimates produced by the Census Bureau.
- Managed all aspects of quality assurance, including statistical testing and fact-checking all information published; managed and coordinated annual data review and analysis of largescale surveys (e.g., American Community Survey, decennial census, and the Current Population Survey); reviewed data files for accuracy, completeness, and the adherence to statistical standards prior to release.

- Worked with upper management to define and execute program goals and objectives; developed and coordinated research and publication programs on the characteristics of the foreign born; directed staff in the development and completion of various research projects and publications using American Community Survey, Current Population Survey, and decennial census data.
- Served as technical/subject matter expert on foreign-born and immigration data; worked with internal and external colleagues and stakeholders on technical issues related to population estimates and demographic data.
- Defined and directed activities of \$1.2 million contract, including research projects by subcontractors on emigration and measuring remittances; monitored available funding and tracked expenditure codes of multiple projects; wrote statements of work; monitored and tracked progress of various projects, taking actions as needed to ensure successful completion.
- Experience managing a diverse set of projects involving multiple agencies and stakeholders. Managed activities of the Suitland Working Group; coordinated monthly meetings of the steering committee; organized diverse projects by participating international statistical organizations and agencies; organized meetings on remittances and using household survey data to estimate immigration and the characteristics of the foreign born.
- Wrote, edited, and produced reports for publication using American Community Survey, Current Population Survey, and decennial census data, including professional publications on the characteristics of the foreign-born population and immigration data; developed graphs, maps, animations, and other visualizations for publications and presentations; analyzed and interpreted quantitative data and developed reports and presentations for a wide audience; presented research at conferences, seminars, advisory committee meetings, press events, and educational workshops; managed the production and publication of data table packages and other statistical products; developed presentations for stakeholders and partnerships detailing program goals, strategies, and objectives; represented the U.S. Census Bureau on matters related to international migration and the foreign born.
- Completed formal training in management, project management, survey methodology, and journalism/communications.

*Awards:* Awarded a 2009 Bronze Medal Award by the U.S. Census Bureau/Department of Commerce for work in migration statistics; awarded a 2010 Bronze Medal Award by the U.S. Census Bureau/Department of Commerce for work on the 2010 American Community Survey Content Test; awarded a 2014 Bronze Medal Award by the U.S. Census Bureau/Department of Commerce for work on the American Community Survey Review Documentation System.

**Statistician/Demographer**, Office of Immigration Statistics, Department of Homeland Security, 10/2004 to 4/2007.

*Responsibilities:*

- As Senior Analyst, analyzed administrative data and generated analytical and interpretive reports for dissemination and internal use and for presentation at professional conferences and other meetings; developed population estimates, specifically estimates on the nonimmigrant population, and other reports on this population; reviewed data products for accuracy and completeness before release.

- As Communications Coordinator, worked with management to define and execute program goals and objectives; developed and executed 5-year communication plan; assisted in the development/design and coordinated the re-design (i.e., “look and feel”) of core publications; managed the production of all publications; developed budget estimates for various communication projects; coordinated efforts by staff to complete communication projects; mentored junior staff members to improve their ability to take on additional roles and responsibilities; developed publications guidelines/SOPs; acted as COTR for publications contract; monitored and tracked project progress/budget expenditures and took corrective action as needed; re-designed and managed website and coordinated promotions of reports and data; and managed/responded to data and information requests from government agencies, media, general public, and FOIA office.

**Senior Demographer**, Migration Policy Institute, 3/2002 to 10/2004.

*Responsibilities:*

- Took leadership role in creating and developing the Webby Award nominated Migration Information Source ([www.migrationinformation.org](http://www.migrationinformation.org)); coordinated all data-related activities as Senior Demographer/Data Manager on three-person creative team.
- Responsible for acquiring and managing international migration data from countries around the world; manipulated and created data sets; reviewed data products for accuracy and completeness before release; acted as technical expert on demographic data; created on-line data features.
- Published numerous professional articles, reports, policy briefs on immigration and the foreign born; presented research at various professional settings; developed population projections, specifically the Dominican population in the United States; responded to inquiries from policy makers, journalists, and the public.

*Awards:* Awarded a U.S. Department of Commerce Certificate of Appreciation by the Population Division of the U.S. Census Bureau for developing data tools on The Source that present foreign-born data in innovative and easily accessible ways.

**Statistician/Demographer**, U.S. Census Bureau, Racial Statistics Branch, 9/2000 to 3/2002

*Responsibilities:*

- Assisted in the review and analysis of Census 2000, Current Population Survey, and American Community Survey data.
- Generated analytical and interpretive reports for dissemination and internal use and for presentation at professional meetings and publication.

## **Fellowships and Additional Education**

**Associate Citation in Project Management** George Washington University, June 14, 2017.

### **Excellence in Government Fellows Program**

Partnership for Public Service, Spring 2010-2011 Cohort. Year-long program to strengthen leadership skills of GS-14/GS-15 federal employees through coursework, benchmarking, projects, coaching and networking. Graduation date: March 2011.

### **Florida State University Dissertation Fellowship**

Awarded one of six Dissertation Fellowships offered by Florida State University for the 1999-2000 academic year.

### **Fulbright 1988-89 Graduate Student Fellowship**

Awarded a thirteen-month graduate fellowship from February 1989 to February 1990 to do socio-anthropological research in Fiji.

Grieco, Elizabeth M. "Land Tenure and the Indians of Fiji: A Political Economy of Fertility Decline." Annual meetings of the American Sociological Association, August, 1996.

Boyd, Monica and Elizabeth M. Grieco. "Triumphant Transitions? Socio-Economic Achievements of the Second Generation in Canada." Annual meetings of the Canadian Population Society, June, 1996.

### ***Poster Presentations***

Grieco, Elizabeth and Mason Walker. "Comparing Estimates of Newsroom Employees in U.S. Government and Private-sector Surveys." Annual meetings of the American Association of Public Opinion Research, May, 2019.

Gryn, Thomas, Elizabeth M. Grieco and Steven Wilson. "An Examination of Southwest Border County Populations in the United States." Poster presentation. Annual meetings of the Population Association of America, April, 2013.

Grieco, Elizabeth M. "Measurement of the Temporary Resident Population in the United States: An Update." Poster presentation. Meetings of the International Union for the Scientific Study of Population (IUSSP), July, 2005.

Grieco, Elizabeth M. "Land Tenure and the Indians of Fiji: A Political Economy of Fertility Decline." Poster presentation. Annual meetings of the Population Association of America, March, 1997.

## **Additional Training**

### ***Contracting Officer's Training***

*Contracting Officer's Representative Course*, Management Concepts, June 1-5, 2020.

*Contracting Officer's Representative Course*, Management Concepts, October 3-7, 2005.

### ***Project Management Training***

*Leading Project Managers*, ESI International, U.S. Census Bureau, Suitland, Maryland, February 15, 2012.

*Project Leadership, Management, and Communications*, George Washington University School of Business and Public Management, February 19-20, 2002.

*Managing Projects in Organizations*, George Washington University School of Business and Public Management, May 21-25, 2001.

### ***Leadership Training***

*Leadership Potential Seminar*, Western Management Development Center, Office of Personnel Management, Denver, Colorado, November 26-December 7, 2001.

### ***Media/Communications Training***

*Dealing with the Media*, USDA Graduate School, August 14-16, 2006

*Presenting Data and Information*, Edward R. Tufté Seminar, Arlington, Virginia, November 3, 2003.

*Effective Presentations*, Erin Associates, Inc., June 5-6, 2001.

*How to Be an Effective Media Spokesperson*, Suitland, Maryland, January 26, 2001

### ***Management Training***

*Activity Based Costing Project Server Training*, BOC (Winstead), U.S. Census Bureau, Suitland, Maryland, July 29, 2014.

*2014 WebTA*, E-Learning, June 23, 2014.

*Decision Making: The Fundamentals*, E-Learning, June 16, 2014.

*Decision Making: Making Tough Decisions*, E-Learning, June 16, 2014.

*Leading Teams: Managing Virtual Teams*, E-Learning, June 12, 2014.

*Census Telework Policy Training for New Supervisors and Managers*, BOC (Perry), U.S. Census Bureau, Suitland, Maryland, March 16, 2014.

*Performance Learning Workshop*, BOC (Johnson), U.S. Census Bureau, Suitland, Maryland, April 8, 2014.

*EEO Training for Managers and Supervisors*, Santo de Jesus, U.S. Census Bureau, Suitland, Maryland, August 29, 2013.

*Personality Diversity and Workplace Drama for Managers and Supervisors*, Next Element Consulting LLC, U.S. Census Bureau, Suitland, Maryland, July 27, 2013.

*Managing Effective Communication: Editing for Plain Language for Supervisors and Managers*, U.S. Census Bureau, Suitland, Maryland, June 20, 2013.

*Delegating to Leverage Staff Resources*, Lazar Holbrook and Associates, U.S. Census Bureau, Suitland, Maryland, July 17, 2012.

*Managing the Writing of Others*, Language at Work, U.S. Census Bureau, Suitland, Maryland, June 15, 2010.

*Positive Discipline Workshop*, Federal Technology Services, Incorporated, U.S. Census Bureau, Suitland, Maryland, August 5, 2009.

*Management Skills: Resolving Conflict*, Management Concept Incorporated, U.S. Census Bureau, Suitland, Maryland, July 16, 2009.

*Human Resources Management for Supervisors and Managers*, FPPI Solutions Incorporated, U.S. Census Bureau, Suitland, Maryland, June 12-13, 2008.

*Introduction to Public Management*, Federal Technology Services, U.S. Census Bureau, Suitland, Maryland, May 22, 2008.

*Interaction Management*, Benchmark Training, U.S. Census Bureau, Suitland, Maryland, October 10-11, 2007.

### ***Survey Methodology Training***

*Fundamentals of Survey Methodology*, University of Maryland, Joint Program in Survey Methodology, Spring Semester, 2009.

*Introduction to Survey Sampling*, Joint Program in Survey Methodology, U.S. Census Bureau and the University of Maryland, Washington, D.C., March 25-26, 2009.
